COLUMBIA METROPOLITAN CONVENTION CENTER

Meet at South Carolina's Only Downtown Convention Center

Since opening in 2004, the Columbia Metropolitan Convention Center has welcomed over 3 million guests. Our spacious, modern facility has flexible meeting rooms, an accommodating staff, and even a terraced garden area tailor-made for those warm South Carolina evenings. Our in house food service provides customized menu options and even some hand-me-down Southern recipes (Fried chicken and biscuits with homemade strawberry jam, anyone?). Our building has been recognized for its green business initiatives and recycling program.

Located right in the heart of the Vista entertainment district, attendees can walk to restaurants, shops, live music venues, art galleries and nightlife. But don't stop there. Take a run on our riverwalk, rent a kayak or stroll a few blocks to tour the South Carolina State House and visit our revitalized Main Street.

We look forward to welcoming you soon.

PARKING

There are multiple parking options available for your event at the Columbia Metropolitan Convention Center.

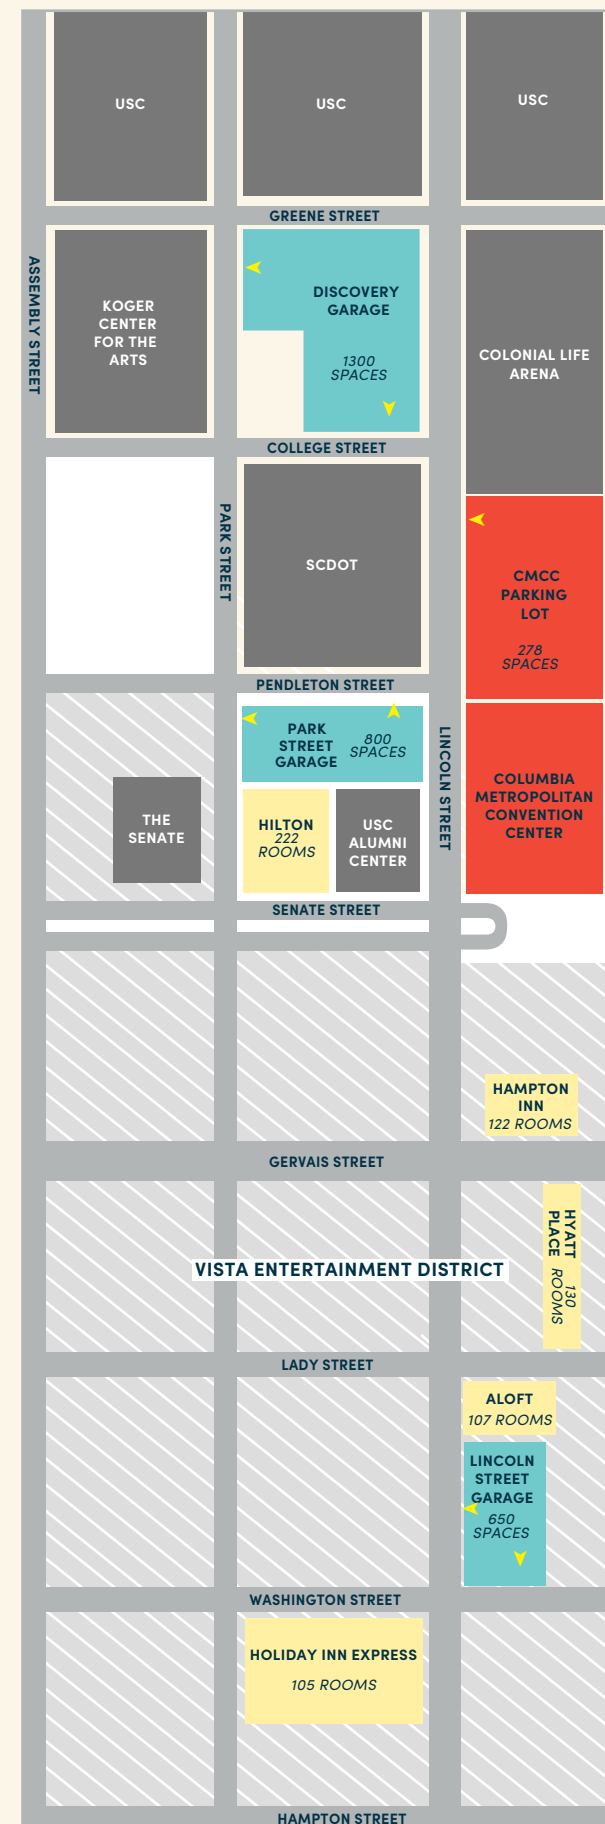

The CMCC parking lot adjacent to the facility may be available at no charge on a first-come, first-served basis. Parking availability is subject to change, based on event times and the number of events in the building. Reserved parking in the CMCC lot can only be provided if the entire facility is contracted for your event. Parking in the rear lot behind the CMCC is not permitted.

Pay-for-Parking garages are open to the public and operated by other organizations, so availability is not guaranteed, however your event manager can help reserve parking passes or a garage buyout if available. Customers can pay by cash or credit card. Contact your event manager for garage event parking rates.

Additionally, metered parking is available along many of the streets around the facility.

SHUTTLE SERVICE

We would love to help transport your attendees in our (14) passenger shuttle. Please contact the Experience Columbia SC team at 803-545-0020 for pricing and availability.

SHIPMENTS

- All shipments for tradeshow are to go through a decorator/drayage company. A decorator or off-site service must be coordinated. Storage is not allowed in the facility unless contracted.
- For other types of events, the CMCC allows shipments to arrive ONLY (1-2) business days in advance of event day, if storage space is available, and the rates below will apply. Please notify your event manager in advance when shipments are to arrive at the CMCC.
- Once you arrive for your event, check in with the CMCC Receptionist or your event manager to locate your shipment. After your event, you are responsible for packing and labeling your boxes and delivering them to the Receptionist's desk. You are responsible for scheduling pick-up by carrier (UPS, FedEx, etc.)

ITEMS PROHIBITED BY CONTRACT

OUTSIDE FOOD AND BEVERAGE:

Food and beverage from an outside source may not be brought onto the CMCC premises. All food and beverage must be purchased in advance from Spectra Food Services & Hospitality or at concession facilities authorized by Spectra. Food or beverage, with the exception of mints, may not be given out without authorization from Spectra. Spectra is the only provider permitted to serve, sell or otherwise dispense alcoholic beverages on the CMCC property.

HELIUM-FILLED BALLOONS:

Balloons can escape and foul the sprinkler and fire retarding systems. They are a safety hazard and are not allowed. If a balloon escapes, you may be subject to a minimum charge of \$250/balloon.

IMPROPERLY POSTED SIGNAGE:

Signage may not be affixed to the CMCC walls or other surfaces. Posting materials on walls and windows can mark painted or stained surfaces and leave residue on glass and metal. The CMCC events department will gladly help with signage and have banners hung for you.

SERVICE CORRIDOR ACCESS:

These spaces are off limits to our customers. For your own safety, as well as insurance and security reasons, please do not use the service halls or the CMCC's equipment storage areas.

EXCESSIVE NOISE:

Consideration of other events in facility must be given. If your excessive noise is impeding another contracted event, you may be asked to lower the noise level. Please coordinate with facility management.

ADDITIONAL PROHIBITED ITEMS:

Open flame candles, fireworks, glitter, sparklers, flammable liquids, confetti, flower petals, chalk and similar items are not permitted on facility property.

Clients may not provide their own event security (including guards and parking attendants), bulk trash removal and special utilities service (electricity, water and internet). Rates for exclusive services are available upon request.

FREQUENTLY ASKED QUESTIONS

How do I begin the event planning process?

After contracting your event with your sales manager, you will be notified by email regarding your assigned event manager. Generally, the detailing process begins (30) days prior to your event. If you have any questions prior to that time, feel free to contact your event manager.

Your event manager will provide you with work orders containing all of your event information including setup, security, engineering, audio visual and food service information. Your signed work orders will need to be returned to your event manager (10) business days in advance of your event start date. Any last minute updates or changes, especially regarding your guaranteed number of people, needs to be given to your event manager (3) business days in advance.

What parking is available at the CMCC?

The CMCC parking is available adjacent to the facility for free on a first-come, first-served basis. Located directly across from our facility is a pay-for-parking garage for overflow parking. See page 9 for more information.

How do I access the Internet inside the building?

Free wireless internet access is available to all visitors and attendees. The option to upgrade on-site is also available. See page 14 for additional information and upgraded options.

To access the free internet:

1. Connect to CMCC Guest.
2. Wait for a pop-up login page.
(if splash page does not appear, type gateway01.cmcchotspot.com in your web browser)
3. Select General Plan – Free and "Continue".
4. You will then be connected!

Events with upgraded internet will have login credentials made available by your event host.

Will there be flatbeds and handcarts for use?

The CMCC has a limited number of carts available to exhibitors on a first-come, first-served basis. If you are unable to bring your own cart, contact your event manager to inquire about signing out a handcart.

What copying and printing services does the CMCC provide?

If you are in need of a small quantity of copies during your event, please contact your event manager. There is a fee per print or copy. The CMCC does not provide mass copying, printing or faxing services. See page 11 for more information.

Where do I find items shipped to the CMCC for my event?

Smaller shipments, such as printed materials and containerized displays, are generally delivered to the receptionist's desk located on the upper level of the CMCC near the escalator. Large containers delivered by common carriers may be received on our loading dock. Due to limited storage, large items should be shipped to a decorator or drayage company. Once you arrive for your event, check with the CMCC's receptionist. If your packages were delivered, it is helpful to have your tracking number. PRX may be contacted for drayage service, 803.926.5300.

After my event, how should I ship items back to me?

For small shipments, pack and label your materials and deliver them to the receptionist's desk on the upper level. Clients are responsible for scheduling pick-up by carrier (USPS, FedEx, etc.). If you have large containers or equipment to ship and your meeting or event planner or decorator is not handling drayage, contact your CMCC event manager. Clients will have to prepare bills of lading and contact a carrier. The facility is not responsible for materials forgotten by the client or carrier. See page 11 for more information.

Will my materials be secure?

The CMCC is diligent in providing security through designated staff and surveillance, however the facility cannot guarantee the safety of materials, equipment or personal belongings left unattended in public areas or meetings rooms. The CMCC is not responsible for theft of or damages to unattended items. In the case of missing items, contact your event manager or call the CMCC's lost-and-found in the security office at 803.545.0040. If you wish to file an insurance claim, contact your event manager and/or the City of Columbia Police Department at 803.252.2911.

Do I need event security?

Event security is required by contract if alcohol will be served at your event (cash bar or hosted bar), if your event is open to the public, or determined by the CMCC management to be needed. Generally, (1) guard for every 200 people is required. See page 23 for more information.

Do I need event insurance?

Insurance will be required for any event that will be open to the public, offers alcoholic beverages (either by cash bar or hosted bar), or has a total of more than 500 guests in attendance. Contact your event manager for additional information.

What is the retail sales tax law in South Carolina?

There is a 6% sales tax, a 1% local option tax, and a 1% transportation penny tax due on all retail purchases of tangible personal property. In addition, a South Carolina Retail Sales and Use Tax License is required for vendors making retail sales at events without an admissions fee or charge to enter. For events that charge admission, under South Carolina code section 12-36-510(C), the event is considered a "special event" and the tax must be paid on sales, but a retail license is not required for the event.
