CATERING POLICIES

EXCLUSIVE CATERER

Food and beverages are offered through the Columbia Metropolitan Convention Center's onsite and exclusive caterer, Oak View Group Hospitality. All OVG Hospitality prices are subject to a 21% management charge and all applicable taxes.

OUTSIDE FOOD & BEVERAGE

Outside food or beverage is not allowed on the premises of the Columbia Metropolitan Convention Center by the client, its attendees, exhibitors, or vendors. The client is responsible for monitoring and regulating guests of their event. If any outside food and beverage enters the building the client will be charged at 150% of the current OVG Hospitality price. If the client is using an outside caterer, a buy-out fee will be applied per each guest attending.

FOOD AND BEVERAGE SAMPLING

Vendors may distribute food and beverage samples in authorized booth space. The Vendor Sampling form must be completed and approved ten (10) days prior to the event. Food and beverage items that are to be sampled must be items that represent or are manufactured by the vendor. Food and beverage items must not be in competition with any items offered by OVG Hospitality. Samples are limited to 2 ounces. Alcoholic beverages are not allowed to be sampled. Vendors handing out samples are required to have all necessary permits on file with the South Carolina Department of Health.

BEVERAGE SERVICE

The South Carolina Department of Revenue, Alcohol and Beverage Licensing regulate alcohol and beverage services. As a licensee, OVG Hospitality is responsible for the administration of these regulations. Alcoholic beverages are not permitted to be brought on the premises without written consent. If approved, a corkage fee will be assessed. OVG Hospitality will dispense all alcohol brought on the premises. In accordance with state regulations, we reserve the right to request a state or government issued photo ID from any guest to verify age. OVG Hospitality reserves the right to refuse alcohol service to underage guests and to guests who appear to be intoxicated. No more than two alcoholic beverages will be served to a guest in one transaction.

LINENS

All hot meal functions include standard sized black table linens (not floor length) and standard black napkins. Linens are included in the event space where your meal function is served, based on your final guaranteed guest count given. OVG will supply one (1)

linen per table for 60" rounds and 72" rounds. All 72" round tables require an 8-Pointed linen to cover the table. The client will be charged \$8 for the additional linen needed for each 72" round table.

DIETARY CONSIDERATIONS

OVG Hospitality will accommodate special dietary requests that are to be given by the client when the menu is finalized, ten (10) business days before the event. OVG Hospitality will prepare vegetarian meals equal to 1% of the final guarantee for plated meals unless a vegetarian guarantee is provided to the Catering Sales Manager.

MENU SELECTIONS

Menus must be finalized ten (10) Business Days prior to your event. OVG Hospitality will accommodate special dietary requests with a 72-hour advance notice. OVG Hospitality reserves the right to make minor changes to key ingredients if unable to be sourced due to reasons beyond the control of both parties. Items priced by the piece or by the dozen require quantities for each item.

GUARANTEES

Final guarantees for guest count are due by noon, seven (7) business days prior to the event. If the client does not provide OVG a final guarantee, the original estimates will be considered as your final guarantee and will be billed accordingly. Once the final guarantee is given to the Catering Sales Manager, the number may not be reduced. If the final guaranteed number increases after the final guarantee deadline, a 25% late fee per guest will be incurred. If the meals are served to guests, the client will be billed accordingly.

LABOR

Catering staff are scheduled in 6 hour shifts for each meal period. These shifts include set up, event service and breakdown. Events requiring additional time for service will incur an additional charge of \$25.00 per hour, per staff member.

CHINA SERVICE

China service is standard for all catering services in all meeting rooms. For coffee services, OVG will provide high grade disposable ware for 10% of the final guarantee so guests may take their beverage with them.

FOOD & BEVERAGE CHARGES

All food and beverage is subject to a 21% Management Charge, 8% Sales Tax, 2% Hospitality Tax, as well as a 5% liquor tax, if liquor is served at your event. If you are tax exempt, a ST-9 certificate must be given to your Catering Sales Manager

prior to your event. Sales tax is not refundable. The Management Charge is not paid to employees as a gratuity. All menu prices are subject to change. OVG will not guarantee price quotes for more than 90 days.

MANAGEMENT CHARGE

All catered events are subject to a 21% Management Charge. This Management Charge is the sole property of the food and beverage service company or the venue owner, as applicable and is used to cover such party's costs and expenses in connection with the catered event (other than employee tips, gratuities and wages) and is not charged in lieu of a tip. The Management Charge is not a tip, gratuity, or service charge, nor is it purported to be a tip, gratuity, or service charge, for any wait staff employee, service employee, service bartender, or other employee, and no part of the Management Charge will be distributed (as a tip, gratuity, or otherwise) to any employee who provides service to guests.

BILLING

The client must pay a non-refundable 50% deposit due 30 days prior to the event. The remaining balance must be paid in full five (5) business days prior to the event. If beverage service contains beverages based on consumption, the client will be charged the final balance after the event ends and consumption amounts are collected. The final balance is due when the final guarantee is given to your Catering Sales Manager. OVG Hospitality accepts Credit Cards, Cashier's, and Certified Checks. If payment is not received in full prior to the event and exceeds 30 days past due, a 1.5% late fee charge will be incurred and added to the finalized invoice.

If mailing a check, please mail check to the address listed below and put attention to Allison Abercrombie.

CANCELLATIONS

Cancellation of a food function must be sent in writing to your Catering Sales Manager. Cancellations received within 7 days of the first contracted day of your event will result in a fee equal to 100% of the estimated Food and Beverage charges.

SUSTAINABILITY

The Columbia Metropolitan Convention Center is committed to providing high-quality food service with a focus on sustainability.

Fresh, Locally Sourced Products

During the spring, summer and fall, nearly 80% of our food is sourced within 150 miles of Columbia, South Carolina.

The CMCC purchases all natural, antibiotic and hormone free poultry and pork.

Minimizing Waste

All kitchen prep and back of house food waste is composted.

Washable, reusable cups, glasses and china dishes are used for events. The CMCC recycles used cooking oil through a program that repurposes it for bio diesel.

The CMCC also invites clients to participate in efforts to minimize waste. The number of attendees must be guaranteed before the event so that food preparation is accurate.

Untouched leftover food is donated to Oliver Gospel Mission, a local charity that serves hot meals to the homeless daily.
