COLUMBIA METROPOLITAN CONVENTION CENTER

Meet at South Carolina's Only Downtown Convention Center

Since opening in 2004, the Columbia Metropolitan Convention Center has welcomed over 3 million guests. Our spacious, modern facility has flexible meeting rooms, an accommodating staff, and even a terraced garden area tailor-made for those warm South Carolina evenings. Our in house food service provides customized menu options and even some hand-me-down Southern recipes (Fried chicken and biscuits with homemade strawberry jam, anyone?). Our building has been recognized for its green business initiatives and recycling program.

Located right in the heart of the Vista entertainment district, attendees can walk to restaurants, shops, live music venues, art galleries and nightlife. But don't stop there. Take a run on our riverwalk, rent a kayak or stroll a few blocks to tour the South Carolina State House and visit our revitalized Main Street.

We look forward to welcoming you soon.

OUR CHEF BRINGS THE FLAVOR

If you are looking to offer your meeting attendees a memorable experience, whether it's a taste of this region or a creative menu to compliment an event's aesthetic, Chef Tommy Kasperski and his staff make dining at the Columbia Metropolitan Convention Center an experience rooted in taste. And good taste is easy to come by when our kitchen is using as many local farmers, purveyors and products as possible.

OUR MENU

CMCC Staff listens to clients wishes and works with Chef Tommy to write custom menus with a focus on using sustainable, seasonal ingredients whenever possible for each event. And though most of those ingredients are from South Carolina, North Carolina, Virginia and Georgia, many of them are from right in CMCC's back yard.

GUARANTEE

A minimum guest count for each function is due 10 business days prior to the event. A specified guaranteed number of attendees for all functions (cannot go down from the minimum, but no penalty to go up) is required by noon, 5 business days prior to the event start date.

CONCESSION STANDS

If you would like to offer a concession stand for your event attendees, clients must guarantee \$100 in sales per hour, (minimum of four hours). If concessions minimum is not met, the client is responsible for paying the difference. A built-in concession stand is available in the Exhibit Hall. Stands may also be set in the following locations depending on your contracted space: Ballroom Pre- function and Under the Escalator

THE CAFÉ

Located on the upper level of the Convention Center, The Café offers a limited selection of food and beverages to enjoy during meeting breaks or while discovering more about the Columbia region. Café hours are based on event schedules.

FREQUENTLY ASKED QUESTIONS

How do I begin the event planning process?

After contracting your event with your sales manager, you will be notified by email regarding your assigned event manager. Generally, the detailing process begins (60) days prior to your event. If you have any questions prior to that time, feel free to contact your event manager.

Your event manager will provide you with work orders containing all of your event information including setup, security, and engineering. Your signed work orders will need to be returned to your event manager (10) business days in advance of your event start date. Any last minute updates or changes, especially regarding your guaranteed number of people, needs to be given to your event manager (3) business days in advance.

What parking is available at the CMCC?

The CMCC parking is available adjacent to the facility for free on a first-come, first-served basis. Located directly across from our facility is a pay-for-parking garage for overflow parking. See page 9 for more information.

Will there be flatbeds and handcarts for use?

The CMCC has a limited number of carts available to exhibitors on a first-come, first-served basis. If you are unable to bring your own cart, contact your event manager to inquire about signing out a handcart.

How do I access the Internet inside the building?

Free wireless internet access is available to all visitors and attendees. The option to upgrade on-site is also available. See page 14 for additional information and upgraded options.

To access the free internet:

1. Connect to CMCC Guest.
2. Wait for a pop-up login page.
(if splash page does not appear, type gateway01.cmcchotspot.com in your web browser)
3. Select General Plan – Free and "Continue".
4. You will then be connected!

Events with upgraded internet will have login credentials made available by your event host.

What copying & printing services does the CMCC provide?

If you are in need of a small quantity of copies during your event, please contact your event manager. There is a fee per print or copy. The CMCC does not provide mass copying, printing or faxing services. See page 11 for more information.

Where do I find items shipped to the CMCC for my event?

Due to limited storage, large items should be shipped to a decorator or drayage company. Check with your event manager for items shipped directly to the convention center once you arrive for your event. If your packages were delivered, it is helpful to have your tracking number. PRX may be contacted for drayage service, 803.926.9703.

After my event, how should I ship items back to me?

For small shipments, pack and label your materials and notify your event manager. Clients are responsible for scheduling pick-up by carrier (USPS, FedEx, etc.). The facility is not responsible for materials forgotten by the client or carrier. See page 11 for more information.

Will my materials be secure?

The CMCC is diligent in providing security through designated staff and surveillance, however the facility cannot guarantee the safety of materials, equipment or personal belongings left unattended in public areas or meetings rooms. The CMCC is not responsible for theft of or damages to unattended items. In the case of missing items, contact your event manager or call the CMCC's lost-and-found in the security office at 803.545.0040. If you wish to file an insurance claim, contact your event manager and/or the City of Columbia Police Department at 803.252.2911.

Do I need event security?

Event security is required by contract if alcohol will be served at your event (cash bar or hosted bar), if your event is open to the public, or determined by the CMCC management to be needed. Generally, (1) guard for every 200 people is required. See page 23 for more information.

Do I need event insurance?

Insurance will be required for any event that will be open to the public, offers alcoholic beverages (either by cash bar or hosted bar), or has a total of more than 500 guests in attendance. Insurance must be carried with a company rated "A" by A.M. Best Company and licensed to do business in the State of South Carolina. Limits must be at least \$1,000,000 for bodily injuries to each person; \$1,000,000.00 for each accident; and \$1,000,000.00 for property damage. The City of Columbia and the Midlands Authority for Conventions, Sports and Tourism must be named as additional insured(s) (not co-insured) in said policy. Evidence of the required insurance coverage shall be provided to your event manager at least ten (10) days prior to the event start date. Contact your event manager for additional information.

What is the retail sales tax law in South Carolina?

There is a 6% sales tax, a 1% local option tax, and a 1% transportation penny tax due on all retail purchases of tangible personal property. In addition, a South Carolina Retail Sales and Use Tax License is required for vendors making retail sales at events without an admissions fee or charge to enter. For events that charge admission, under South Carolina code section 12-36-510(C), the event is considered a "special event" and the tax must be paid on sales, but a retail license is not required for the event.

Are linens included? What are my options?

When a hot meal function is ordered, black or white (as available, inventory has been unreliable) non-floor length linens are included in the event space where your meal function is served, based on your final guaranteed number given to OVG Hospitality, at no additional cost. Linen is not included with continental breakfasts or boxed lunches, or where food & beverage is not being served. Non floor length black or white linen can be provided in these spaces at \$8/ linen. For custom or floor length linen options, please contact our partners, Party Reflections (additional information on page 19).
