Meet at South Carolina’s Only Downtown Convention Center

Since opening in 2004, the Columbia Metropolitan Convention Center has welcomed over 3 million guests. Our spacious, modern facility has flexible meeting rooms, an accommodating staff, and even a terraced garden area tailor-made for those warm South Carolina evenings. Our in-house food service provides customized menu options and even some hand-me-down Southern recipes (Fried chicken and biscuits with homemade strawberry jam, anyone?). Our building has been recognized for its green business initiatives and recycling program.

Located right in the heart of the Vista entertainment district, attendees can walk to restaurants, shops, live music venues, art galleries and nightlife. But don’t stop there. Take a run on our riverwalk, rent a kayak or stroll a few blocks to tour the South Carolina State House and visit our revitalized Main Street.

We look forward to welcoming you soon.

Food and beverage from an outside source may not be brought onto the CMCC premises. All food and beverage must be purchased in advance from Spectra Food Services & Hospitality or at concession facilities authorized by Spectra. SERVICE CORRIDOR ACCESS:
These spaces are off limits to our customers. For your own safety, as well as insurance and security reasons, please do not use the service halls or the CMCC’s equipment storage areas.

EXCESSIVE NOISE:
Consideration of other events in facility must be given. If your excessive noise is impeding another contracted event, you may be asked to lower the noise level. Please coordinate with facility management.

ADDITIONAL PROHIBITED ITEMS:

What copying and printing services does the CMCC provide?
If you are in need of a small quantity of copies during your event, please contact your event manager. There is a fee per print or copy. The CMCC does not provide mass copying, printing or faxing services. See page 11 for more information.

Where do I find items shipped to the CMCC for my event?
Smaller shipments, such as printed materials and containerized displays, are generally delivered to the receptionist’s desk located on the upper level of the CMCC near the escalator. Large containers delivered by common carriers may be received on our loading dock. Due to limited storage, large items should be shipped to a decorator or drayage company. Once you arrive for your event, check with the CMCC’s receptionist. If your packages were delivered, it is helpful to have your tracking number. PRX may be contacted for drayage service, 803.926.5300.

After my event, how should I ship items back to me?
For small shipments, pack and label your materials and deliver them to the receptionist’s desk on the upper level. Clients are responsible for scheduling pick-up by carrier (USPS, FedEx, etc.). If you have large containers or equipment to ship and your meeting or event planner or decorator is not handling drayage, contact your CMCC event manager. Clients will have to prepare bills of lading and contact a carrier. The facility is not responsible for materials forgotten by the client or carrier. See page 11 for more information.

Will my materials be secure?
The CMCC is diligent in providing security through designated stuff and surveillance, however the facility cannot guarantee the safety of materials, equipment or personal belongings left unattended in public areas or meetings rooms. The CMCC is not responsible for theft of or damages to unattended items. In the case of missing items, contact your event manager or call the CMCC’s lost-and-found in the security office at 803.545.0040. If you wish to file an insurance claim, contact your event manager and/or the City of Columbia Police Department at 803.252.2911.

Do I need event security?
Event security is required by contract if alcohol will be served at your event (cash bar or hosted bar), if your event is open to the public, or determined by the CMCC management to be needed. Generally, (1) guard for every 200 people is required. See page 23 for more information.

Do I need event insurance?
Insurance will be required for any event that will be open to the public, offers alcoholic beverages (either by cash bar or hosted bar), or has a total of more than 500 guests in attendance. Contact your event manager for additional information.

What is the retail sales tax law in South Carolina?
There is a 6% sales tax, a 1% local option tax, and a 1% transportation penny tax due on all retail purchases of tangible personal property. In addition, a South Carolina Retail Sales and Use Tax License is required for vendors making retail sales at events without an admissions fee or charge to enter. For events that charge admission, under South Carolina code section 12-36-910(1), the event is considered a “special event” and the tax must be paid on sales, but a retail license is not required for the event.
